UPC Rewards are issued on a VISA® prepaid card. You may use the VISA® prepaid card at millions of merchant locations, everywhere VISA® debit cards are accepted. Use this card at any ATM that displays the VISA® brand. ATM operator and/or bank fees apply. There is no APR (annual percentage rate) for these cards because the balance cannot go below zero and thus no "credit" is needed. You will receive your UPC Rewards card approximately 7-10 business days after registration. You may access your real-time account balance 24 hours a day, 7 days a week by calling the number on the back of the card. UPC Rewards reserves the right to revoke the funds of any program participant who intentionally misuses the UPC Rewards program. No exceptions will be made to these rules.

We aim higher, aim better and our products go further.
